

REMARKS

This amendment is in response to the Notice of Non-Compliant Amendment dated October 21, 2005 which states that the amendments to the drawings (from the amendment filed on October 11, 2005) is non-compliant because "the drawings are not properly identified in the top margin as "New Sheet" as required by 37 CFR 1.121(d)".

Figure 10 marked as "New Sheet" was indeed submitted with the amendment dated October 11, 2005 and is hereby maintained by this amendment. Applicants believe the heading, "New Sheet", on the top margin was too high and therefore not shown in the facsimile transmission.

Accordingly, the above-identified patent application is now complete.

Respectfully submitted,
